No. 1

Most Honorable Lord,

With profound respect and humble submission I beg leave most respectfully to lay the following before Your Honors Mind and serious consideration, with the humble yet confident hope that my humble prayers may be crowned with success.

My father late H. Arnachella Mood filled with great credit the respectable and responsible posts of Amildar and Head Buckshee for many years under General Sir Mark Cubbon and latterly held the Office of Head Sheristadar and that of the Post Master General of the Mysore Province and

and his services were highly esteemed
by those Gentlemen under whom
he served as may be seen from
the copies of his testimonials en-
closed herein -

In the year 1870 when
I held the post of Roorkey in the
Hugra Irrigation Department
Sir Richard Meade promoted me
to a 5th Grade Overseership on a salary
of Rs. 100 and posted me to the Zilla
of Moothalmow where having
acquitted myself to the entire
satisfaction of my superior
in the discharge of my duties was
promoted to the 2d Grade with an
increased salary of 200 Rs and
posted to Chittledroog where I
at present hold the Office for the
last 3 years, having thus served
as Overseer alone for about 8 years,
my services on the whole amount
ing to 21 years.

During this long period
of my service it has been my
constant study to acquit

Copies of testimonials of Capt. Archibald Campbell

Archibald Campbell,

I have received your letter of the 19th but do not send you a testimonial as it would be quite useless after what I said to Mr Saunders about you, and which you will hear from Virginia Burgess.

I am Sir Your most ob.t

21st March 1861. Rich.d M. Cubbon.

During the fifteen years that I was Secretary to the Mysore Commission I was in daily intercourse with Lt. Archibald Campbell, who, from comparatively humble employment, rose gradually to be Acting Secretary and Principal Secretary. He has asked me to bear testimony to his character and services, and I have the greatest pleasure in doing so, and in stating that he was second to none in the Confidence of Sir Mark Cubbon, that he was indefatigable in the discharge of his most important and laborious duties - and that as a truthful and loyal servant to his immediate superiors and to the Government he is unsurpassed by any native of

Indeed with whom I have ever been acquainted.
It will be gratifying also to Arnaldus
to know that in a letter which I received the
other day from Colonel Hawes he speaks
of his character in much the same terms
as the above.

Supt. of Chattledroog

I have much pleasure in stating at
his request the very favorable opinion which
I have formed of the services and high
qualifications of Arnachella Moorthee
Surgeon Assistant of the Mysore Commissio-
ner's Office. During a considerable charge
of the Commissioners from the late Lieut
Mark Cubbon, Asst Officer to me that
there were two of the Native Officers of
his Office, in whom he believed that I
might place almost implicit confidence
as they had never deceived him and he
considered them to be as trustworthy as any
natives who had ever served under him
Arnachellum was one of these two men
and from the acquaintance which I have
since had with him, during the period
of nearly fourteen months I administered

myself to the best of my ability
and knowledge, to the entire satis-
faction of my immediate superiors
and how far I have succeeded
in this my endeavours, the testimoni-
-als (copies of which submitted
herewith) granted to me by several
officers who have had personal
experience of my services, will,
I trust, speak for themselves.

Having heard that the
Chief Commissioner contemplates
reorganizing several departments
in the coming reduction of the
establishment of the Bengal
Commission, I beg respectfully
to offer myself as a Candidate
to the Post of Nazaun Buckshee
in the humble yet confident
hope that your honor may be
graciously pleased to take into
your favorable consideration
the valuable services of my
late father, who was personally
known to your honor and to
recommend me to the Chief
Commissioner, to confer on
me the above desired

8/ I beg to enclose you to
Add. that I am prepared to lodge
the prescribed amount as Security.
I humbly trusting that
the above will meet with your
kind Consideration
